

ELEEN EAST TRADING CORPORATION

Engineering
GREAT Solutions

Explore Our wide assortment of Electro Mechanical Products & Services.

EETC – ELEEN EAST TRADING CORPORATION

Vision

To provide best support services to our clients and ensuring the highest level of customer satisfaction and quality, contribute to the infrastructure development, economic and social development of the regions. To provide complete assistance to our clients to maintain the quality standards and to be competitive in their own fields.

ELEEN EAST TRADING
CORPORATION

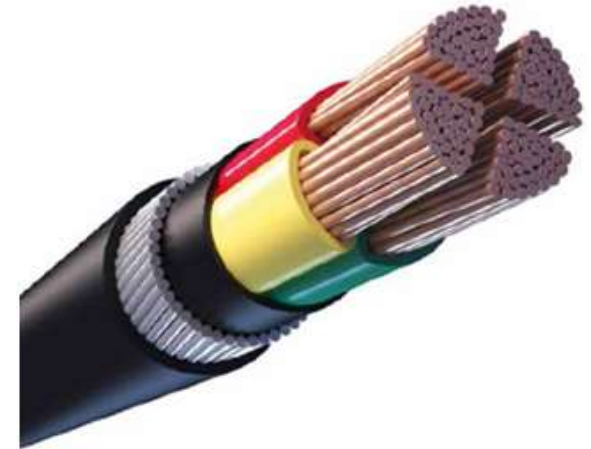

MV & LV Electrical Panel
Boards

UPS & Battery Banks

Cables and bus bars

Transformers

Miscellaneous
Accessories for
Panel boards

Enclosures

Supply & Trading

- # MCC Panels, PCC Panels, DG Synchronization Panels, APFC Panels, VFD Panels, PLC/SCADA Panels, 11Kv & 33kv VCB Panels, RMUs, MV Capacitor Banks.
- # Industrial UPS and Battery Chargers, VRLA and Nickel Cadmium batteries.
- # Copper and Aluminum Cables & Bus bars, ACSE, AAC, AAAC conductors, Aerial Bunched Cables...
- # Power and Distribution Transformers Oil filled and Resin Cast type, Low Voltage dry type Potential, Isolation and Control Transformers, Servo-Stabilizers.
- # DMC / SMC Bus bar supports, Panel Locks, Hinges & handles, Crimping Lugs & Tube Terminals, Self Adhesive Gaskets, Spiral Wounds, PVC Cable Ducts, Cable Ties, Tie Mounts, Eye Bolts, screws, Heat Shrinkable Tubes & Sleeves, Tie Mounds, Connectors.
- # All types of Electrical, Mechanical and Instrumentation Jobs that include Project planning, Execution & commissioning of Major Projects at Saudi Aramco, other Industries & Plants, inside & outside KSA (Offshore & Onshore)
- # All Hydraulic Valves, Drives, Gearboxes Pumps & HPU Units (up to 15000PSi) For all Onshore & Offshore Applications.
- # All Specialized & Customized Equipments & components for Oil & Gas, Generation & transmission, Chemical & Pharmaceutical, Petrochemical, Fertilizer & Steel Plant & Storage facilities.
- # Lifting Equipments & Its Components for Onshore & Offshore Application & Marine Logistics.

Jobs We Undertake

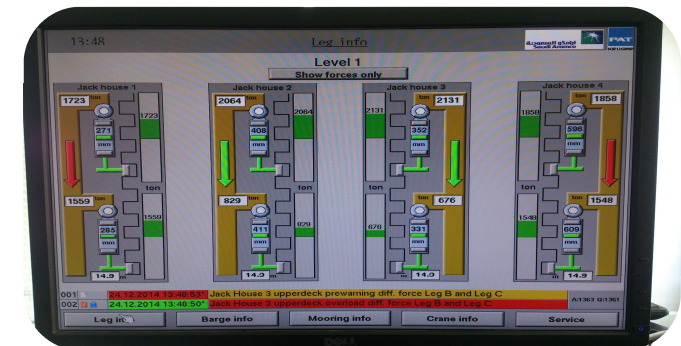

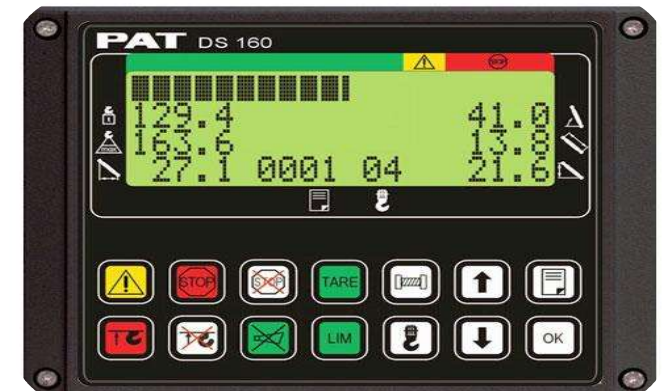

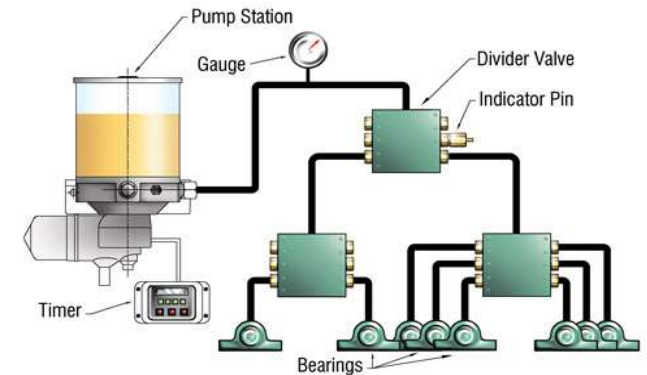

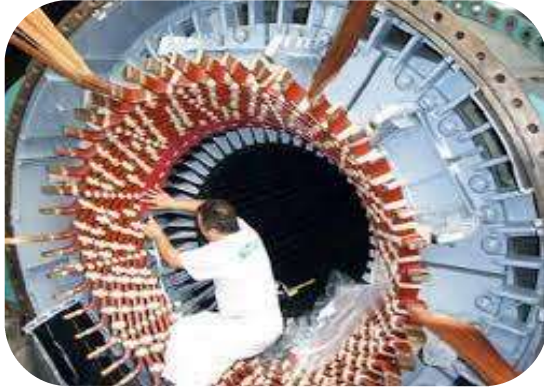

- » Generator Rehabilitation & Rewinding.
- » End Winding vibration Systems for Generators.
- » Condition Monitoring & Reliability Services for All Rotating equipments.
- » Oil And Gas, petrochemical Plant Shutdown Supports.
- » Laser Alignment.
- » Switchgear & Cable Thermography Services
- » Blowers, Fans, Impellers, Cooling Towers On-Site Dynamic Balancing.
- » Remote Diagnostic Centre.
- » E&I, Process panels & Switchgear integration Services.
- » Lubrication System.

Jobs We Undertake

- » Rehabilitation, Supply & Installation of Mooring winch, pipe davits & Its Control systems for Offshore Applications.
- » Trouble shooting, Rectification & Rehabilitation of Electrical & hydraulic Heavy Lifting Equipments & Over head Lifting Equipments.
- » Inspection & certifications of Crane & Lifting Equipment
- » Crane Load Moment Indicator installation, Calibration & certification.
- » Jack up Barge Monitoring System Services.
- » Vehicle Tracking system & E Gate Systems for logistics Management.
- » Continuous Emission Monitoring System & Dust Monitoring System.
